**Father – paternity not established**  
**Case No. - JV22-00202**  
**Next Hearing – 04/19/2022**

**Case Summary:** The child has been removed from the home a second time due to injuries and bruises found at school. Child reports that his mother’s boyfriend is the person who beat him. However, neither the mother nor the live-in boyfriend will admit to who is responsible. Child refers to live-in boyfriend as “dad”, however he is not the biological father and paternity was never determined. Mother is unwilling to work with WCHSA on determining placement for the child with family, friends, or neighbors and insists that there in no one to help in this situation. Case is time sensitive and need immediate representation.
